

Adding Multiple Properties to 1 Account

Click on Profile tab on the black tool bar

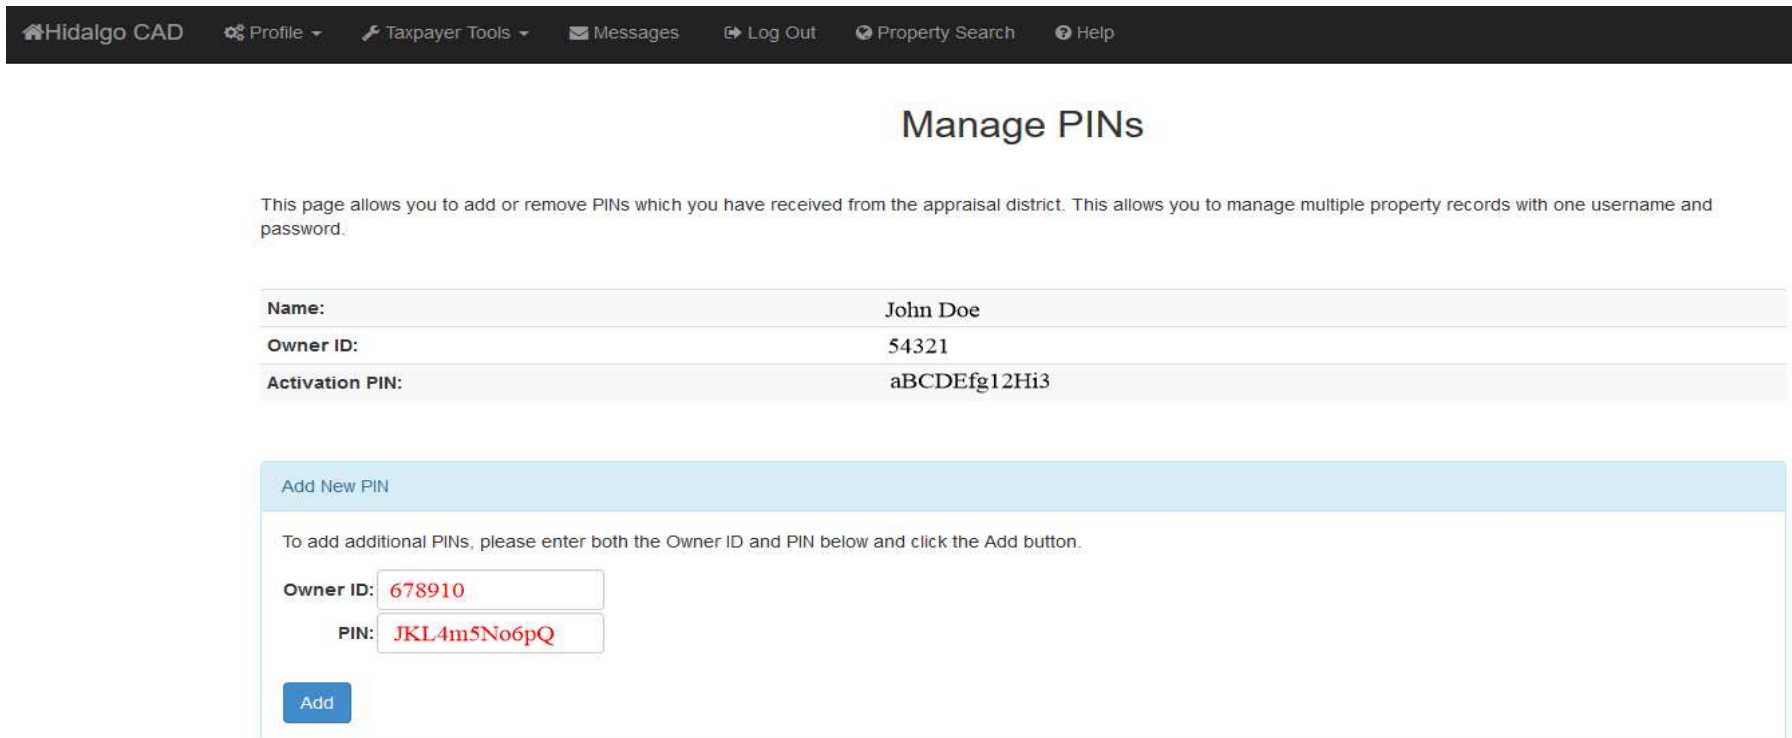

Then click on Manage Pins

The screenshot shows the top navigation bar of the Hidalgo CAD system. The 'Profile' tab is selected, and a dropdown menu is open, showing options for 'Edit Profile', 'Manage Pins', and 'Waivers'. The main content area displays 'Protest Summary' and a 'Protest List' with a notification icon. A green button labeled 'Click here to E-File' is visible on the right side of the page.

Enter Pins in the Add New Pin Box

Once entered click the add button

The screenshot shows the 'Manage PINs' page. It includes a navigation bar with 'Hidalgo CAD', 'Profile', 'Taxpayer Tools', 'Messages', 'Log Out', 'Property Search', and 'Help'. The main heading is 'Manage PINs'. Below the heading is a paragraph explaining the page's purpose: 'This page allows you to add or remove PINs which you have received from the appraisal district. This allows you to manage multiple property records with one username and password.' Below this is a table with the following information:

Name:	John Doe
Owner ID:	54321
Activation PIN:	aBCDEfg12Hi3

Below the table is a section titled 'Add New PIN'. It contains the following text: 'To add additional PINs, please enter both the Owner ID and PIN below and click the Add button.' Below this text are two input fields: 'Owner ID:' with the value '678910' and 'PIN:' with the value 'JKL4m5No6pQ'. A blue 'Add' button is located at the bottom left of the 'Add New PIN' section.
